**The important thing about war is there is no real winner.
It is true that during a war it is important to stay safe.
And that you don't mess with strange looking devices.
Always watch your back.
During war you might feel afraid.
It is also true that at the same time you might be worried.
During war, People fight for days and days,
And people die for a cause whether right or wrong.
It is true that during a war it is important to stay safe.
But the most important thing about war is there is no real winner.**
